6. Bailiff Reports

'FD' explained the current situation regarding unacceptable behaviour that has taken place at Brownlee's Pool, and behaviour also at Whitegate pool.

'FD' to discuss matter further with Cheshire Police as to what additional information can be included in the next issue of the club licence.

Members advise that litter is still a major problem at both pools.

Suggested by all that we increase our 'visibility' at both pools, ask all members to take rubbish away and put in bins provided (or take home).

9. Presentation Night 2007

'KW' handed out information regarding the 'Fishing School'. Information to be viewed and discussed at a future meeting. Also suggested if members had old fishing video's, books etc. They would be ideal material to hand to schools and associations to build up interest.

'ND' advises that we are in need of replacement peg numbers and draw tickets. 'ML' to look into.
