Squad members fishing should arrive for 9.00am. It was also mentioned that those attending should also bring with them a feeder rod, hair rigs and 'aged sweetcorn'.

The club is to pay for practice match peg fee's. As we have done for previous Supercup's.

8. Fishery Update

Hedging plan at Whitegate delayed due to queries raised by WBC. They are:-

- Lease Query
- Kissing Gate
- Ground Levelling

We have expressed our concern over the delays and we are awaiting a quick reply so as we can go ahead this year with the project.

9. 2008/9 Licences

Any information for licences (ie amendments/additions) need's to be with 'PB' by 29thFebruary at the latest.

10. Anniversary Badges

200 Badges have now been received in time for issue with the new 2008/9 licences.

11. Anniversary Match

Invites all sent out, majority of attendee's have advised 'FD' of their attendance on Friday 12th September.

12. Funday 2008

Saturday 31st May 2008 has been confirmed as the date for this year's funday. All the events are booked. 'PB' requested members that we will require items for the Raffle Stall which generates significant funds for the Junior's development fund. Anyone with items suitable for donating to the raffle (not alcohol), please pass to 'FD' or 'PB' between now and the 31st May.

Help on the day will also be required, we will mention this nearer the event date. We have already received £20 worth donation of chocolates from Morrison's Supermarkets at Stockton Heath. A thank you letter has been issued by 'PB'.

13. Coaching

We have been advised by [REDACTED] of the Environment Agency that they are pursuing the coaching courses for this year. Two of our members Paul Roby and John Bryan expressed interest during 2007 when we originally discussed the matter. The courses cost £600 per person, as each entrant has to do level 1 then level 2 coaching. The 'EA' are currently sourcing funding and are looking to be able to advise us further within approximately six weeks. More details will follow as we get them.

14. Bailiff Reports

'PGR' still expressed concerns about the water level at Whitegate Pool even though we have had substantial rainfall recently. 'FD' advised that we would continue to keep an eye on the situation.

'PGR' also advised that there was a continuing litter problem at Whitegate Pool. 'PB' advised that work parties would begin again after the end of March when the clocks change and we have extended daylight time in an evening. It was also mentioned that youth's were once again showing a presence and being awkward. 'FD' advised that all bailiffs if at all possible should make visits to the area to increase our 'presence', which hopefully would deter problems.

15. AOB

'BOK' is in the process of getting prices for club clothing, more information to be available at the next meeting.
