It is important to note that the licence stubs (sample shown) needs to be completed and legible. To make things easier, sections have been highlighted in **RED** which require completion. Remaining sections are optional. Senior or OAP members do not have to show their date of birth only Junior members. Stubs are to be removed from issued licence by bailiff and returned on a monthly basis to club meetings or by arrangement with either Frank or Paul who can collect if necessary.

Also note there is no amnesty on licences, members have to have them from the due date, ie 16th March, not April or May or any other random date.

There is also a free seat box sticker available and to be included with each licence.

Bailiffs also to enquire about members having a current Rod Licence, they cannot fish without it!
