6. Matches - Adults Spring/Summer 2012

'PB' issued a list of most popular venues used for matches over previous seasons. Each member present was asked to tick his preferred venues. Totals will be added and most popular used as basis for organising Spring/Summer 2012 matches.

Members also advised that Winter League Match scheduled for 8th October at Partridge Lakes on Pine Canal has been moved back to 22nd October. This was due to the original date being the day following our Annual Prize Night which was felt to be unwise!

10. Fishery Update

Following discussions at previous meetings regards the possibility of restocking following the loss of Carp in Winter 2010. All members and bailiffs were asked to record information on catch reports, either from their fishing or from other members fishing on our Whitegate and Brownlee's Pools. This will help in any future assessment we do prior to any commitment on restocking and what species. As previously stated the EA have offered their support and assistance in this matter. Catch reports to be forwarded to committee who will compile information for future use.

We have also been notified by the EA that one of their officers caught an adult without club or rod licence on Brownlee's on Sunday 15th May. This person has been put forward to EA legal department to be considered for prosecution.

Brownlee's Grass requires cutting, work party was suggested, 'KW' offered to tackle the matter.

'KW' also raised the matter of decking at Brownlee's which requires some netting to reaffixed following previous deck repair. 'FD' to rectify.
