

Product changes for 2017

3-rod licences

From 1 March 2017, you'll be able to buy a new licence that will allow you to fish with 3 rods from 1 April 2017. To start fishing with this new 3-rod licence instead of the 2-rod licence that you're currently signed up for, you'll need to:

- 1) Phone us on 03708 506 506 and cancel your current Direct Debit. You'll need to quote your bank reference number, which is on the enclosed letter.
- 2) Give us an email address so that we can contact you when the 3-rod licence is available for purchase by Direct Debit.
- 3) Buy your new 3-rod licence online at www.gov.uk/get-a-fishing-licence from 1 March 2017. This licence will be valid from 1 April 2017.

Cost of all products from 1 April 2017

| Full | £30 | £45 | £82 |
| Senior | £20 | £30 | £54 |
| Disabled | £20 | £30 | £54 |

Free junior licences

Another change is coming in April 2017. Licences for juniors aged 12 – 16 will become free of charge. However, juniors will still need to register for their licences.

The Direct Debit system can't process a nil payment, so to take advantage of these free junior licences, you'll need to:

- 1) Phone us on 03708 506 506 and cancel your current Direct Debit. You'll need to quote your bank reference number, which is on the enclosed letter.
- 2) Get your new junior fishing licence online at www.gov.uk/get-a-fishing-licence from 1 March 2017. This licence will be valid from 1 April 2017.
